Sponsorship Opportunities

This time, the organization of the RBC comes back to where it was all started – to Slovenia. The RBC 2018 will be held in Zreče resort between May 16th and May 20th 2018. With 200 expected participants and 5 days of stimulating interactions it is expected to be the most important European event in the field between the two subsequent EBSA meetings.

**Do not miss the opportunity to interact with all these creative and passionate minds,
so be with us on www.rbc2018.si !**

The RBC 2018 is specifically designed to match the interests of sponsors, which in turn help us to support up to 100 young participants to attend this event. The interaction between sponsorship activities and participants is maximized by merging the presentations and exhibitions of the sponsors with the main daily events such as social events and the poster sessions.

**Direct interaction is guaranteed during the whole duration of the conference, so
come and share your products and services on www.rbc2018.si !**

Take a look on the various types of sponsorships, advertising and/or exhibiting options on the following pages and contact us for individually addressed offers.

Sincerely yours,

prof. Janez Štrancar,

chairman of the Conference
